

## Bio of thriller writer Eric J. Gates

Eric J. Gates has had a curious life filled with the stuff of thriller novels. Writing Operating Systems for Supercomputers, cracking cryptographic codes under extreme pressure using only paper and pen and teaching Cyberwarfare to spies are just a few of the moments he's willing to recall. He is an ex-International Management Consultant, has travelled extensively worldwide, speaks several languages, is an expert martial artist and is the author of several thriller novels and short stories.

His full-length novels include:

He is currently working on a new novel, book 3 in 'the CULL' series:
